2017-2020 FIG JUDGES' RULES

SPECIFIC RULES FOR TRAMPOLINE GYMNASTICS

January.2017_V.1.2

The FIG has approved the 2017 FIG General Judges' Rules which are applicable to all competitive disciplines. The specific rules and clarifications listed below apply only to this discipline and are in compliance with the General Judges' Rules.

ARTICLE 1 JUDGES' COURSES *

The Intercontinental and the International Judges Course in TRA, TUM and DMT will last 4 days, including the examination day.

The Course will include a theory examination on the Code of Points and the Technical Regulations and a practical examination on video.

1.1 Intercontinental Judges Course

- Each NF is entitled to register a maximum 5 (five) Judges plus their current cat. 1 judges.
- New and current FIG TC members, along with Continental Union TC Presidents, are in addition to these quotas.
- Judges participating must be Category 1, 2, or 3, (only 2 judges Category 3 per NF)
- Judges sanctioned (sanctions as per FIG Statutes Art. 43.2 except point a) during the period starting 01.01.2013 to the date of the course may not participate in an Intercontinental judges' Course.
- All judges who wish to raise or maintain their category must take the examination.
- All participating judges can take examination in all 3 disciplines (TRA, TUM and DMT).
- Category 1 may be achieved at the Intercontinental Judges' Course only.
- Participants are able to qualify up to Category 1.

1.2 International/Regional Courses (A and B)

- Judges with Category 1, 2, 3, 4 and judges with the highest national brevet may participate. The number of judges is limited to 10 judges per Federation per course. Should places be available after the registration deadline, additional judges may be accepted among the judges registered by their federation as "reserves".
- All judges who wish to raise or maintain their category must take the examination.
- All participating judges can take examination in all 3 disciplines (TRA, TUM and DMT).
- Participants are able to qualify up to Category 2.
- If the minimum passing grade is not achieved by a judge at the Intercontinental Course, that judge may retest at an International Course.
- Judges who fail or wish to achieve a higher score may retest at another International Judges' Course.

1.3 Federation requested judges' courses (C)

The Federation requested judges' courses are organized by national federations, upon request and approval of FIG. A course with one (1) discipline (e.g. TRA) will last 2 ½ days, with two (2) disciplines (ex. TRA, DMT) 3 days and with all three (3) disciplines (TUM, TRA, DMT) 4 days including examination day.

These courses are conducted for participants who want to get an international category 4 brevet. They are open to judges with international brevet or with minimum highest national level.

Participants are able to achieve only Category 4.

* For General principles, see also General Judges Rules

1.3 Examination Retest

- A judge who wishes to achieve a higher score may retest at another International Judges' Course.
- A judge who failed and wish to obtain a brevet has to attend the entire course and take the examination.
- Judges who wish to retest must submit the retesting application form to the FIG Office and to the TRA TC President prior to the International Course (retest). It is possible to retest in either one, two or three disciplines.
- 13th cycle Cat. 1 judges with repetition of both Theory and Practical exams, Category 2 is the maximum that can be obtained, provided the judge has fulfilled the necessary experience criteria for Category 2.
- With successful repetition of the Theory and Practical, all judges will be awarded the category, as was indicated by all standards achieved on the second examination.
